

Dear Parents,

We are pleased to announce our updated children's Wednesday night program, Kids' Bible Club! We refreshed the program and, although we are not using the Awana name, we haven't changed a lot. We will still have four sections: Song Time, Explore Time, Council Time, and Game Time. Also, our goals have not changed:

- We want to help kids understand the gospel: that each person has broken God's law (sinned) and Jesus died to take the punishment we deserved, that his death was sufficient to pay the penalty for our sins, that he rose from the dead, and offers us eternal life if we believe in Him.
- We want to help kids know God through His Word and through prayer.
- We want to help kids love and trust God's Word.

Here are some things that will be different:

- We are grateful for your honest feedback. Out of respect your family's schedule, we have shifted our start and end time. Children may arrive any time after 6:00 PM; we will start at 6:15 and dismiss at 7:45 PM.
- There are no fees for bringing your child(ren) to Kids' Bible Club. Visitors are always welcome and new kids can start any time!
- We know it can be hard to get the laundry done each week. We also know that the section shirts were helpful for identifying a child's spot in the program. This year we will not ask the kids to wear special shirts. Instead, we will use color-coded name tags to help leaders identify each child's grade.
- Name tags will stay at church so there is one less thing for you to keep track of. Your child will pick up their name tag when they check in and will drop it in a basket on the way out. The name tags will have an alligator clip with which to attach to your child's shirt. We recommend not dressing your child in delicate fabrics that could be damaged by the clips
- We won't have a take-home verse pack this year or many worksheets, and since there will be less stuff to carry, we will not be handing out bags.
- Children will receive a Bible in 2nd grade to use in class, take home each week, and keep when the class year concludes. The same Bible will be used each year throughout Kid's Bible Club, Trek, and SWAT.
- Sandwiches and snacks will not be provided this year. Please make sure your child eats supper prior to class. If your child comes directly from extra-curricular activities and cannot secure a meal prior to class, let us know and we will arrange food for your child.
- TREK will now include 6th-8th grade.

Here is what a typical night will look like:

6:00 – 6:15 PM Open Sanctuary Time with videos and/or songs for 4 YO – 5th Grade
6:15 – 6:30 PM Song Time and announcements for 4 YO – 5th Grade
6:35 – 6:55 PM Explore Time, Game Time, Council Time – 1, TREK Class Time
7:00 – 7:20 PM Explore Time, Game Time, Council Time – 2, TREK Class Time
7:25 – 7:45 PM Explore Time, Council Time TREK Class & Game Time
7:45 PM Dismissal

Please complete and return the enclosed registration form for your children who will be part of Kid's Bible Club and TREK. Feel free to take a pic and email the form back to us; you may also mail or drop off the completed form.

Thank you for allowing us to be part of your life. We look forward to seeing you at Kids' Bible Club!
